The authors hereby transfer all copyrights in and to the manuscript named below to the Ulutas Medical Journal if and when the paper is accepted for publication in this Journal. All authors agree to the Ulutas Medical Journal's Open Access policy.

Attribution-Non-Commercial (CC-BY-NC): This is a human-readable summary of (and not a substitute for) the license. You can **Share** — copy and redistribute the material in any medium or format, **Adapt** — remix, transform, and build upon the material. The licensor cannot revoke these freedoms if you follow the license terms. Under the following terms: **Attribution** — You must give appropriate credit, provide a link to the license, and indicate if changes were made. You may do so in any reasonable manner but not in any way that suggests the licensor endorses you or your use. **Non-Commercial** — You may not use the material for commercial purposes. **No additional restrictions** — You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits. Everyone who is listed as an author in this article should have made a substantial, direct, intellectual contribution to the work and should take public responsibility for it. All authors are responsible for recognizing any conflict of interest that could bias their work in the acknowledgments, disclosing all financial support and any other personal connections. This paper contains works that have not previously published or not under consideration for publication in other journals.
